The Most Musical Sound

PM6007

Integrated Amplifier

The PM6007 delivers Marantz' most musical sound and is an ideal choice for those ready to take the next step in their 2-channel Hi-Fi system. Powered by a Toroidal power transformer and customized block capacitors, the PM6007 integrated amplifier delivers 45 watts (8ohm, 20Hz-20kHz) of power-per-channel. You can easily connect both analogue and digital sources or connect your turntable to the built-in phono MM pre-amp.

- Take your next step in Hi-Fi: The PM6007 integrated current feedback amplifier powers 2x 45W (8 ohms RMS, 20Hz – 20kHz) to offer a refined audio experience.
- Meticulously and masterfully tuned: During the extensive tuning process, Marantz sound masters carefully refine and curate each component for optimal performance.
- Wide range of connectivity: Experience Hi-Res audio files exactly as intended through the gold-plated inputs: 5 analogue inputs, one coaxial input and two optical digital inputs.
- An updated audio experience: The newly updated, high-quality DAC AK4490 offers a cleaner sound for your enjoyment.
- Digital filter modes for Optical/Coaxial input: Listen to a more refined audio experience to fit your taste with the new digital filter mode feature.
- Built to perform: In addition to high-quality speaker terminals with A/B switching capability, a fully-shielded DAC unit, and copper screws, the rigid feet provide a true-to-performance sound.
- Marantz proprietary HDAM-SA3 circuit: You will experience a wider dynamic range with lower distortion for the output stage.
- Advanced Thermal Compensation: No memory distortion for clean and precise audio reproduction even after powerful bass attacks.
- Customized components for a more refined sound: The Toroidal Transformer and high-quality, customized components deliver exceptional sound quality.
- Integrated phono input: Featuring a high-quality MM phono pre-amp with FET input to enjoy best signal purity and sound from your favourite vinyl.
- Deeper bass with a subwoofer output: Enjoy powerful bass by adding a subwoofer, companion bookshelf speakers or even further extend bass with the addition of floor standing speakers.
- Available in black or silver-gold
